Expanding the Circle of Success

An Invitation to Help Solve Personal, Community and Global "Ultimate Destiny Success Puzzles"

This book presents a vision and Strategic Implementation Matrix™ for Expanding the Circle of Success by providing greater access to Successful Living Skills for the 21st Century through a network of locally initiated not-for-profit Community Economic Development Empowerment Resource Centers. It also provides an introduction to the first individuals recognized for the Ultimate Destiny Hall of Fame Award and our invitation for them to share their suggestions and provide access to their resources through Empowerment Training Mentoring Systems and Community Resource Centers.

The book also includes our Invitation for Collaboration addressed to you and any individual, organization, or community that would like to participate in various ways such as: memberships in affiliated NPOs, coaching; training programs; consulting services; becoming an affiliate or certified Empowerment Consultant; providing your programs, products and services as a featured resource provider, etc. Opportunities are available for strategic alliances, joint venture partnerships, licensing, franchising, and accredited investors are invited to review the Investment Marketing Memorandum for Universal Stewardheirship, Inc. This new company, based on the Benefit Corporation model, encompasses the 4Ps of Purpose, People, Planet and Profitability along with Spirit, Service, Stewardship and Sustainability and Community Economic Development Principles and Practices of Self-Help, Empowerment and Capacity Building.

If you would like to help generate expanded individual and collective capacity to address the increasing social, economic and environmental challenges we face, this book is for you. Within its pages, you will find tested and proven models, strategies and resources that can empower, equip and enable millions of people to realize and actualize more of their potential. As a result, our communities, organizations, nations and planet will enjoy higher levels of service, stewardship and sustainability. Profits from the sale of this book will be donated to support the Expanding the Circle of Success Campaign to facilitate the donation and distribution of 100 million dollars worth of development training resources to and through the network of Community Resource Centers being established over the next 10 years.
