This New Book and Playshop Introduce Seven Ascension Attitudes™ That Will Help You A.R.K. --

Awaken to Your Spiritual Identity,
Realize More of Your Potential and
Know How to Cocreate Your Ultimate Destiny!

Practicing the Seven Ascension Attitudes of: Love, Praise, Gratitude; Seeking first the Kingdom; Asking, Seeking and Knocking; Letting Go and Letting God and Being Still and Knowing God leads to a Higher state of Consciousness where you experience what it feels like to have your life and efforts "Crowned with the Success of the Lord". That includes: God's Loving Grace; the Full Joy of the Lord; the Peace that passes Understanding; Wisdom with Understanding; Abundant Provision; Divine Order; and Perfect Harmony.

Introduction to **Crowned with the Ultimate Success of the Lord** by [Charles Betterton](#), founder of [CENTER SPACE](#), [Ultimate Destiny University](#), coauthor of the 14 titles in the [Ultimate Destiny Success System Library](#) and author of **Crowned with the Ultimate Success of the Lord**:

Peale (at 93), Charles Betterton
and Les Brown May 11, 1990

Dr.

The first time I ever experienced what I refer to as being **Crowned with the Ultimate Success of the Lord** was May 11, 1990. That evening, I produced a [Community Unity Celebration](#) featuring Dr. Norman Vincent Peale and Les Brown "The Motivator". It was the first of several major [CAN DO!](#) community empowerment and development training programs. The success of the standing-room only event was truly a miracle as described in an article, [Together We Can Do! A story about Norman Vincent Peale, Pretty Woman, Les Brown, and the Chinese Bamboo Tree](#). This is how the experience looked that evening backstage at the Paramount Theater in Kankakee, Illinois.

A couple of years later in 1992, I had the dream that led to my discerning the [Seven Ascension Attitudes](#). It was another few years when I had the insights about what the [Points of Being Crowned with the Ultimate Success of the Lord](#) might entail. It was a couple of years after that before I explored the possibility of any correlation between the Seven Ascension Attitudes and the Crown Points.

The illustration on the [Correlation Page](#) shows how that works. For example, as we Radiate Love, we open our hearts wider to receive the Love and Grace of the Lord. As we praise the Lord, we activate and enjoy the Peace of Mind that Passes Understanding. Whenever we express gratitude, we are tuning into the Full Joy of the Lord. When we Seek First the Kingdom of God and Right-use-ness, we move into alignment with God's Wisdom with Understanding. As we A.S.K. Ask, Seek and Knock, we open ourselves more fully to the Abundant Provision of our Source and Creator. When we Let Go and Let God, we are better able to receive the blessing of Divine Order in our life, affairs, relationships and finances, etc. And finally, as we Be Still and Know God, we enjoy the rich experience of Perfect Harmony in all areas of our lives.

PS. Here is a picture taken a few years ago of me "working" in my favorite "office". Actually, most of the contents of this program and many of those produced by [CENTER SPACE](#) were conceived and often written while I was enjoying this special "swinging chair". It was designed by Eric Donovan and his dad Wink lived next to me for a few years in the intentional community of [Stelle, IL](#). RISE AND SHINE WITH SEVEN ASCENSION ATTITUDES

***"Arise and shine for your light has come
and the Glory of the Lord is risen upon you!"***

Have you ever noticed how much more productive and happy you are when you are operating at a higher level of conscious awareness?

If our attitude in life determines our altitude, or level of success, what positive attitudes should we hold in mind?

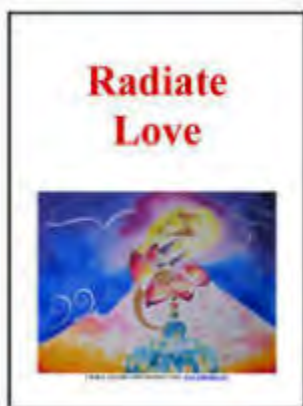

Have you ever thought about what attitudes are most important to your spiritual growth and ascension toward Godness as you express the Fruits of the Spirit?

I have invested a lot of time considering the question. You see, I had a dream in 1992 that I was teaching a seminar in a large hall. I was saying that when our attitudes are positive and perfectly aligned in harmony, we naturally ascend. As I was talking in my dream, several people in the audience were levitating out of their seats and were floating up to the ceiling. It was a wonderful dream . . . one of my all time favorites!

When I remembered the dream the next morning, I began searching for the ascension attitudes. I remembered that I had heard the phrase somewhere that love, Praise and Gratitude were the three ascension attitudes so I started with them and then began reading the Bible and many other books, looking for more possible ascension attitudes.

I have now discovered a total of Seven Ascension Attitudes that I would like to share with you. They are: Love, Praise, Gratitude, Seek First the Kingdom of God, Ask, Seek, Knock, Let go and let God, and Be Still and Know God. Let's take a closer look at each of the 7.

LOVE, THE FIRST COMMANDMENT!

Thou shall love the Lord, thy God, with all thy heart,
with all thy soul, with all thy mind, and with all thy
strength and, thou shall love thy neighbor as thyself.

PRAISE THE LORD FROM WHOM ALL BLESSINGS FLOW

Praise the Lord

I Praise You Lord from whom all blessings flow.
Thank You for being my Shepherd, I shall never want
for Your Wisdom, Faith, Power, Supply, Direction or
Perfect Employment in Your Service.

BE GRATEFUL IN ALL THINGS!

Express Gratitude

I give thanks for your Abundant Provision and Your
Rich Blessings. Thank you for being the Source of my
talents, abilities, resources and opportunities to
discover, develop and offer them in Your service.

Thank you for always meeting my needs according to
Your riches in glory.

SEEK FIRST THE KINGDOM OF GOD

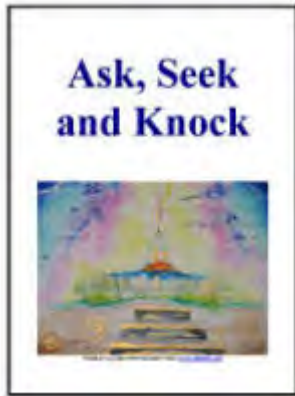

Seek First the Kingdom

**"Seek first the Kingdom of God and righteousness
and all these things shall be added unto you."**

I seek first the Kingdom of God and Your right-use-
ness and all right things are added to me in the right
time and way. I put God first in everything I am and do.

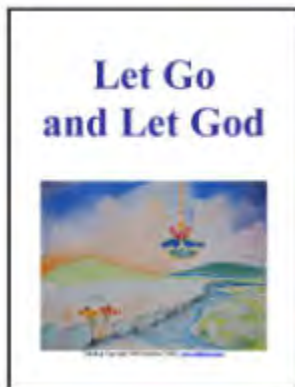

ASK, SEEK, KNOCK AND GIVE THANKS

"Verily, I say unto you, Whatsoever you shall **ASK** our Father in my name, He will give it to you. **Ask**, and it shall be given you; **Seek** and you shall find. **Knock**, and it shall be opened unto you. For every one who Asks, receives and every one who Seeks, finds; and to every one who Knocks, it shall be opened."

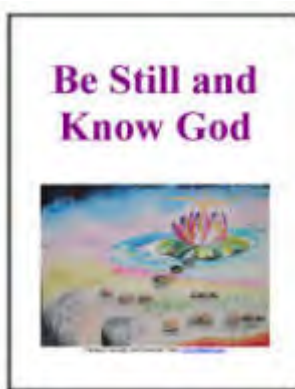

I seek first the Kingdom of God and Your right-use-ness and all right things are added to me in the right time and way. I put God first in everything I am and do.

LET GO AND LET GOD

I let go and let God do Your Perfect Works
in me, on me, through me and for me.
In everything I do, I put God first, and You direct me and
Crown my efforts with the Ultimate Success of the Lord.

BE STILL AND KNOW I AM GOD

Peace Be Still!

Be still and know that I Am God, and I Am your instant, constant and abundant Source of the Wisdom to see, the Faith to believe and the Power, Supply and Direction to achieve all you can be in my Service, all you may do in my Work and all you may have stewardship over.

The Seven Ascension Attitudes are designed to help you live, work and have your being in the higher realms. To get the greatest benefit, use them as Affirmations and include them in your prayers. You can easily use the Seven Ascension Attitudes as an outline for a consciousness raising seven part prayer.

AFFIRMATION:

**I arise and shine in the Service of the Lord for my Light has come,
the Glory of the Lord is risen upon and within me and my efforts are
Crowned with the Ultimate Success of the Lord.**

SEVEN ASCENSION ATTITUDES PRAYER

I Love You Lord with all my heart, soul, mind and strength.
I Praise You from whom all blessings flow and from whom all life emanates.
I thank you for Your rich abundant blessings.
I seek first the Kingdom of God and Your Righteousness.
I Ask, Seek, Knock and Give Thanks for Wisdom, Wealth and Wellness.
I Let Go and Let God do your perfect works in me, through me, for me and as me. I
am Still that I may know God and remember that I am I AM in Perfect Expression.
Thank you Lord!

During the day, please reflect on how you might best manifest the Seven Ascension Attitudes in your interactions with others. In the evening, reflect on how well you were able to increase your conscious awareness of, and positive response, to the countless opportunities we are given every day to "Rise and Shine".

We have even made a set of the [Seven Ascension Attitudes index cards](#), a video message ink pen and bookmark to help you remember who we are and why we are here.

Thank you for this opportunity to share these concepts with you.

Author Bio

Charles Betterton: Charles (shown in the photo of the Community Unity Event he produced in 1990 with Dr. Norman Vincent Peale and Les Brown that led to this book) has been helping individuals, organizations and communities realize more of their potential and creating award-winning Community Resource Centers for almost 40 years. He served the U.S. Department of Housing and Urban Development (HUD) for 15 years as a disaster relief expert, a turn-around management specialist and community economic development specialist.

Charles won the highest cash-award ever paid to a HUD employee for a computer system modification he initiated that saved an estimated 300 million dollars. He turned down a HUD Community Builders Fellowship worth about \$250,000 in 1998 because he would have had to discontinue his commitment to several community empowerment programs he had helped establish. The success of those award-winning community programs and ongoing strategies for establishing an international network of Community Resource Centers are described at <http://www.CANDORResourceCenter.com> and <http://www.ultimatesuccesspuzzle.com>

Charles has founded and cofounded dozens of cause-oriented companies and non-profit organizations (NPOs) involved in personal, organizational and community development, empowerment and enlightenment. Presently he is focusing primarily on two NPOs, CENTER SPACE (the Center for Spiritual, Personal And Community Enlightenment) and the Ultimate Destiny UniverCity for Conscious Sustainable Living.

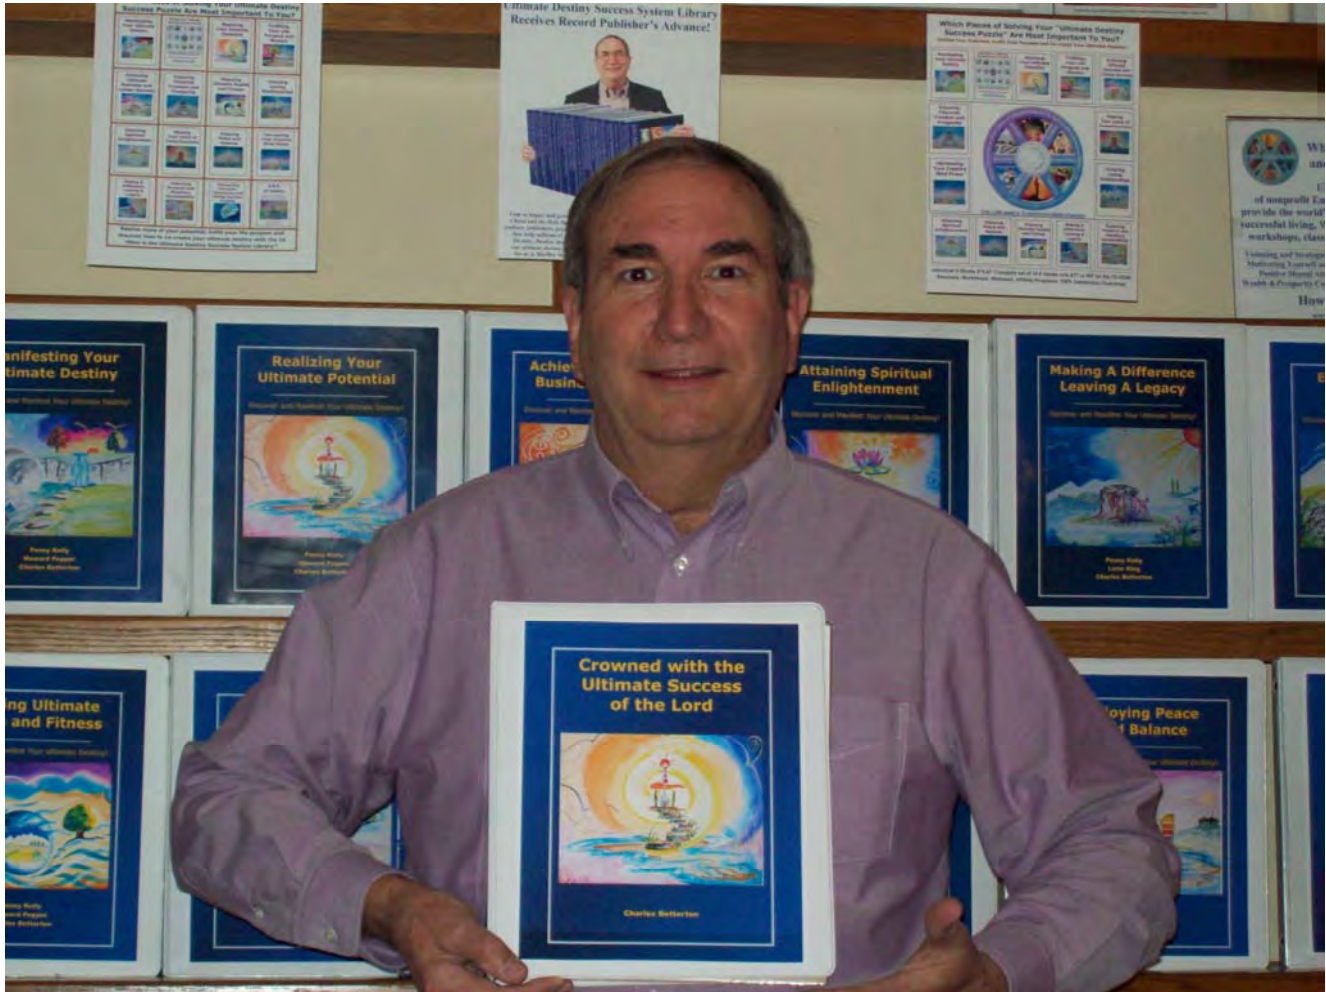

Charles is also the creator and co-author of the Ultimate Destiny Success System Library. It includes 14 stand-alone programs totaling over 1,200 pages. The titles include: Manifesting Your Ultimate Destiny; Solving Your Ultimate Destiny Success Puzzle; Realizing Your Ultimate Potential; Fulfilling Your Life Purpose and Mission; Enjoying Loving Relationships; Achieving Ultimate Success in Business and Career; Harnessing Your Creative Power; Enjoying Financial Freedom and Prosperity; Raising Your Consciousness Level; Enjoying Ultimate Health and Fitness; Attaining Spiritual Enlightenment; Enjoying Peace and Balance; Making A Difference and Leaving A Legacy; and Fostering Personal and Planetary Sustainability.

Charles has lived in spiritually centered intentional communities for over 25 years and he has a Masters in Community Economic Development (CED) from Southern New Hampshire University. The Principles of CED include Self-Help, Empowerment and Capacity building. When he was asked to share remarks at the graduation ceremony for the CED Masters program, Charles introduced himself as a Community Development Specialist for heaven on earth.

This book, and several others he has written such as: T.U.L.I.P.S.-- The Ultimate Life Inpowerment Planning System; Setting Spiritually Centered New Year's Resolutions; Partnership with God; Godhood, Who Me? You've Got to Be Kidding, etc. are part of his commission to help people Awaken to Spirit, Realize more of their inherent potential and Know how to discover and co-create their ultimate destiny, whatever that means to each individual.
