“Discover How to Sell More Books – Faster, Cheaper and With Far Less Effort Than Even Current Best-Selling Authors Can Imagine”

A Message from Mark Victor Hansen

You may know me as “that Chicken Soup for the Soul guy”. A cultural icon now celebrating its 11th year, my business partner Jack Canfield and I created what *TIME* magazine called, “the publishing phenomenon of the decade.”

With more than 100 million *Chicken Soup for the Soul* books sold around the world and over 40 licensed products in the marketplace, it is one of the most successful publishing franchises in the world.

Genii and Mark at MEGA where she learned how to write her newest book, **Discover the Secrets to Granting Your Own Wishes.**

I don't mean to toot my own horn, but all told, I've sold over 144 million books worldwide and have been dubbed *America's Ambassador of Possibility*. As your host at MEGA Book Marketing I will guide you and teach you how to have your own bowl of Chicken Soup. This year I'm opening up the vault and sharing the secrets I've learned along the way... it's going to be amazing, stupendous and memorable!
