THE BEGINNING...

The Inner Child is an interesting topic to me became more so as mine became acquainted, through my Journaling.

I had read a book titled, the Power of the Other Hand by Lucia Capacchione. In it she described a method of contacting this special part of me that i knew was there due to my career of making and performing with puppets and marionettes.

It was advised to write out a question with the hand normally used, then switch to the other hand for an answer done with child like pictures and words.

What took place was more information than I ever expected to receive. It changed the way I look at my life and the life of others when I teach my

Inner Child doll Play-shops...

Join "ME" now as she explains,,,The Sickness Bug
Just as she wrote it.....

The Dialogue Begins.....

Genii: We adults are experiencing many problems that I understand from the experts in many self-help fields, is due to our varied childhood experiences. Some result in a battered inner child.

I understand that you, as my inner child, are a part of my true self, what is the story to be told ?

The Meeting....

To my Gervii

Hello - you don't know me but I am
your inner child ready to welcome you.

You may address me by the name
of "ME". I like that name it sounds
majestic and I can.

You are able to find me thru Love.

You are a grown-up person who has
covered me over. It is time to take
off the layers of guilt, unhappiness,
fears and punishment. You don't
need these things and I certainly
don't.

allow the soft side of you to become
a beacon for me to climb out on.

To my Genii

Hello. You don't know me but, I am your Inner Child,
ready to welcome you.
You may address me by the name of M-E. I like that name.
It sounds majestic and, I am.

You are able to find me thru love. You are a grown up person
who has covered me over. It is time to take off the layers of
guilt, unhappiness, fears and punishment. You don't need these things and, I
certainly don't.

Allow the soft side of you to become a beacon for me to
climb out on.

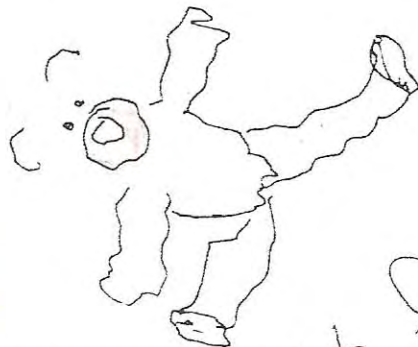

When the world makes you unhappy
I get the pain you give yourself.

I get the tears, I get the anger you
hold inside.

You think you are protecting me
but you are not

Look to me as love and hold
me like you would a doll or a

Teddy Bear

I need to be held & loved

When you can become what you
are really suppose to be

When the world makes you unhappy, I get the pain you
give yourself. I get the tears, I get the anger you hold inside.
You think you are protecting me but you are not.

Look at me as love and hold me like you would a doll or a
Teddy bear then you can become what you are really
suppose to be.

I live. I love. I am alive
I would like the results to
allow us to be what we are in
Truth the essence of our
Heavenly Parents deposited
in each person to be discovered.
Many of us are now being freed
from our dark prisons thru
what is called Love ♡. Many are
not.

There is a reason why we are
still locked up (5). This reason
once understood can open the door

This is to be made public now
for it is time for us to glow ☺
for each of us is a
Garden Light Point of God.
This message is from "me"

I live! I love! I am alive!
I would like the adults to allow us to be
what we are in truth, the essence of our
Heavenly parents deposited in each person
to be discovered.

Many of us are now being freed from our dark
prisons thru what is called love. Many are not.

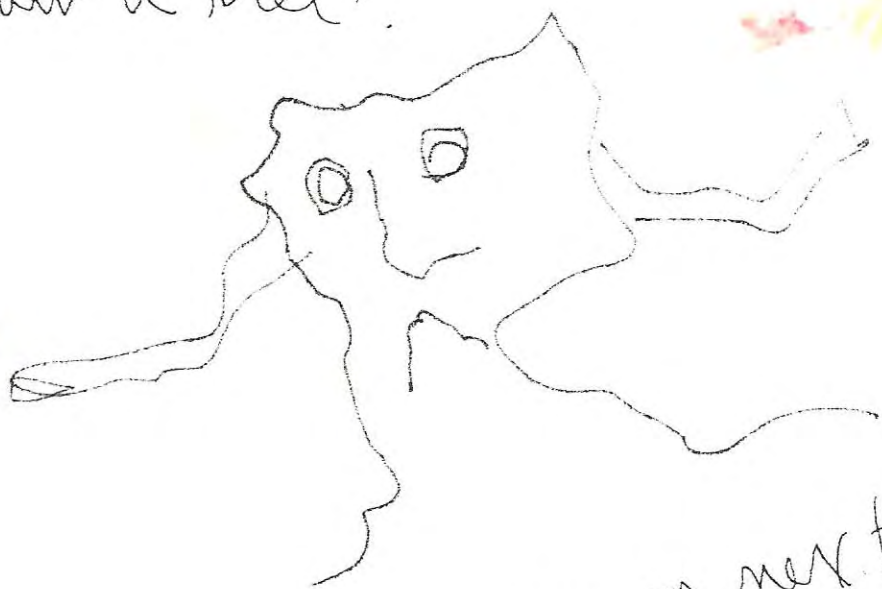

There is a reason why we are stilled locked up.
This reason, once understood, can open the door.

This is to be made public now, for it is time for
us to Glow for, each of us is a Golden Light Point
of God. This message is from M-E.

Yes I am a part of the true
Genii. The Right part and
the story begins before you
adults are born, and before your
Grandparents were born and
even their parents before them
may I draw a tree?

Thank you. Tree on next

Yes, I am a part of the true Genii, the light part, and the story begins before your adults were born and before your grandparents were born and.... even their parents before them.

May I draw a tree?

Thank you. Tree on next page. No more room here.

Do you understand my V.A. tree?

This is from "me"

THE V.A. Tree

Do you understand my V.A. tree?

THIS IS FROM M-E

ME---family tree

THE VA. Tree

Roots

My tree is upside down

Great grandparents

Grandparents

My Parents

'M-E' inside my parents

Because we got to go
to the root first!

Ran out of room

Go to here. →

14

Genii: I see a family tree with several generations, great grandparents, grandparents, and parents all on an up-side down tree.

You say we have to get to the roots first. Is this a normal tree?

me. Their thinking was up-side down because they didn't know they had the V.A. sickness. And not only that but also that they passed on the V.A. sickness to the next generation who passed it on to their kids and so on down the branches.

Genii: You mean that they didn't know that they had a sickness?

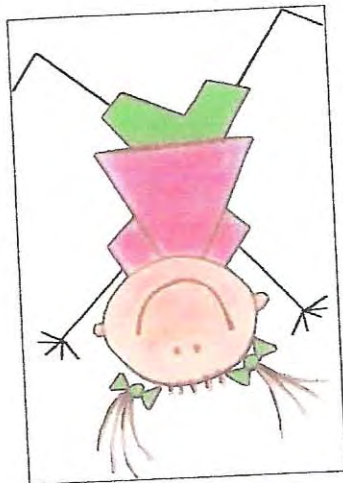

me - That is right,
no one knows when it began it just
did and every one got infected

15

TOO BAD

M-E Their thinking was upside down because....

THEY DIDN'T KNOW THAT THEY HAD THE V.A. SICKNESS!
And not only that but, also that THEY PASSED ON>
THE V.A. SICKNESS TO> THE NEXT GENERATION who,
PASSED IT ON> to THEIR KIDS and,
so on > down the branches. >>>>>>

THIS IS RIGHT. NO ONE KNOWS WHEN IT BEGAN,
IT JUST DID, AND EVERYONE GOT INFECTED.
TOO BAD!

We need to tell them so they
can get healed and we can
get healed and the world can
get healed. It's awful sick.

Genii: Let me see if I understand what you are saying. Stop me
if I am wrong please.

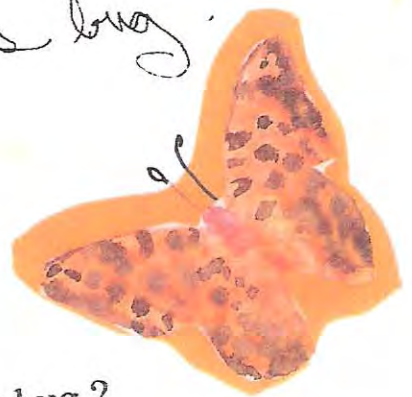

We all have a family tree, which consists of grandparents,
parents, brothers and sisters, aunts, uncles, cousins etc.

Now many generations ago we were infected with a sickness,
which you would call a V.A. Bug. Is this correct so far?

me - It's a bug yes, a sickness bug.

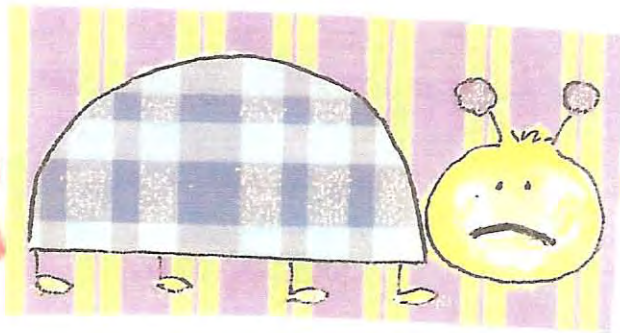

Genii: Is this a physical sickness bug?

"me" - It is a mental bug that can and does
make people sick.

We need to tell them so they can get healed and
we can get healed and the world can get healed.
It's awful sick!

It's a bug...yes a sickness bug.

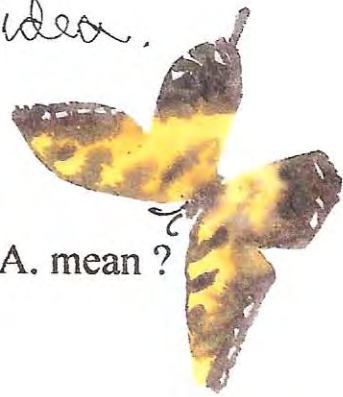

It is a mental bug that can and
does make people sick.

Genii: This then is a mental sickness bug that is passes down to every generation making people dysfunctional and eventually bringing on physical ailments ?

"me": yes. You get the idea.

Genii: You say this is a V.A. sickness. What does V.A. mean ?

"me" now we get into the  of the matter.
the V. is most important.

It is the beginning point.

It is like playing a part in a story. like a character in the story of life.

I think I will call it the game of life. a game, yes!

M-E Yes, you get the idea.

M-E Now we get into the heart of the matter.

The V is most important.

It is the beginning point.

It is like playing a part in a story,
Like a character in the story of life.

I think I will call it the game of life.

A game, yes !

I like that. You
adults are playing a game

GAMES-GAMES

YOU PLAY GAMES
AND LOSE

TO BAD!

Sometimes you win Sometimes you
lose. People can even win with this
sickness bug.

Now I shall reveal to you
what the V stands for, are you
ready wowed out there?

I like that. You adults are playing a game.

GAMES-GAMES

U all play games and lose.
Too bad!

Sometimes you win. Sometimes you lose.
People can WIN with this Sickness Bug.

Now I WILL REVEAL TO YOU WHAT THE V STANDS FOR...
ARE YOU READY WORLD OUT THERE?

me. The V stands for Victim
So There is the
Sickness long -
And it is the hidden addiction

VICTIM VICTIM VICTIM
TEARS → → →
TOO BAD

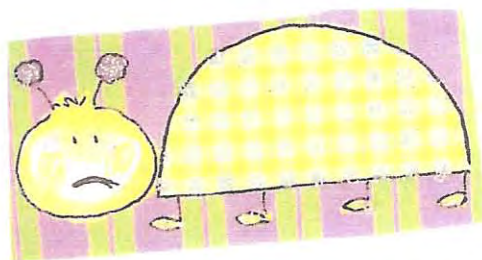

Genii : We adults have many addictions, where does this sickness fit in with all the rest ?

me" The 1st addiction understand ?

ONE! TOP of list

THE **V** stands for **VICTIM!**
So there is the **SICKNESS BUG**
AND IT IS THE **HIDDEN ADDICTION!**

VICTIM! **VICTIM!** **VICTIM!**
TOO BAD

M-E THE FIRST ADDICTION UNDERSTAND ?
ONE! TOP OF THE LIST

yes.

With this sickness victim one carries the germ unknown and plays the part due to not being aware of that difficulty

People bring into their stories situations and conditions to keep them in the Part of the Victim - They cannot do it any other way. They got the Bug.

THE BUG OF VICTIM  is in the Part of the mind of each person. The Victim Bug makes each person choose the life experiences that keep the sickness long alive and very active.

Genii: Tell me some of the symptoms of this mental bug, as you call it.

Yes

With this SICKNESS VICTIM, one carries
The GERM UNKNOWN and plays the part due to
NOT BEING AWARE of that difficulty.

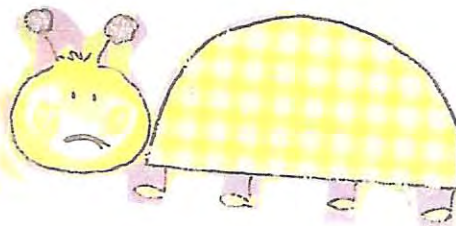

People bring into their stories situations and
conditions, to keep them in the part of the victim.

They cannot do it another way.

THEY GOT THE BUG!

The Bug of Victim is in the part of the mind
of each person.

The Victim Bug makes each person choose
the life experiences that keep the Sickness Bug
alive and very active.

"me"

Have you ever seen anyone who is always sad or complains about their life being a mess over & over again?

"me"

This then is just one area to see the sickness bug in action.

Remember they cannot act any other way. A sickness cannot be healed completely unless the sickness bug is destroyed.

PEOPLE

← BUG

When people get the flu bug they feel sick and ask the doctor what to do and the doctor says to rest and take
liquors

Me...
Have you ever see anyone who is always sad
or complains about their life being a mess over
and over again?

This then is just one area to see the
SICKNESS BUG in action.

Remember they cannot act any other way.

A sickness cannot be healed completely unless,
the SICKNESS BUG is destroyed.

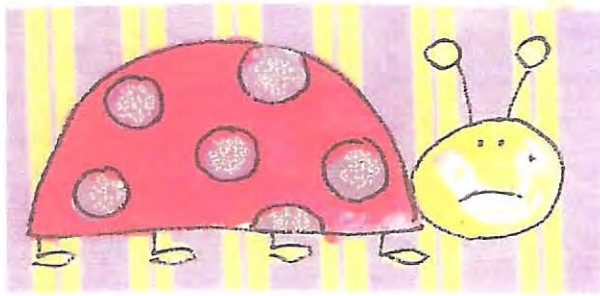

PEOPLE VICTIM BUG

When people get the FLU BUG they feel sick and
ask the doctor what to do and the doctor says
to rest and take liquids.

And the person with the flu gets the doctors attention and the attention of others too.

That person may need attention
so the mind informs the

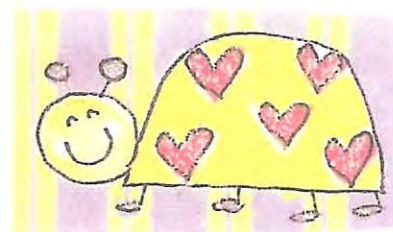

Sickness Victim Bug and the mental victim tape begins to play and attracts the physical flu bug to go into action. So the person comes down with the flu, calls the doctor or other persons and now the flu person is the center of attention. They feel bad but they find someone is concerned and cares. So in a bad situation playing the victim in the eyes of people the attention is received and mostly people

and the person with the flu gets the doctors attention and, the attention of others too.

That person **MAY NEED ATTENTION** so, the mind informs the **SICKNESS BUG** and attracts the physical flu bug to go into action so, the person comes down with the flu, calls the doctor or other persons and now, the flu person is **THE CENTER OF ATTENTION !**

They feel bad but they find someone who is concerned and cares.
so in a bad situation playing the **VICTIM** in the eyes of the people the attention is received
And mostly people....get better.

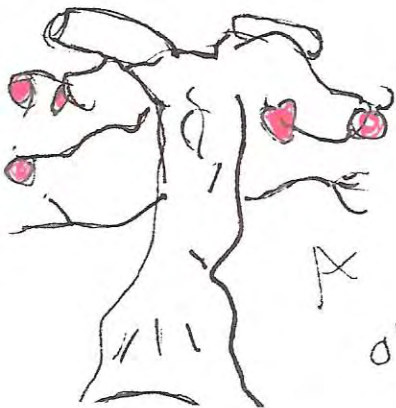

get better.

Genii: What is being said here is that the person unknowingly, becomes a carrier of this GENETIC CODE MENTAL SUBCONSCIOUS PRE-PROGRAMING. They then open themselves into many situations and conditions that foster the appearance of being a victim.

me Yes seen clearly this True, you have played the victim many times, and still do as you work to not have this genetic bug anymore.

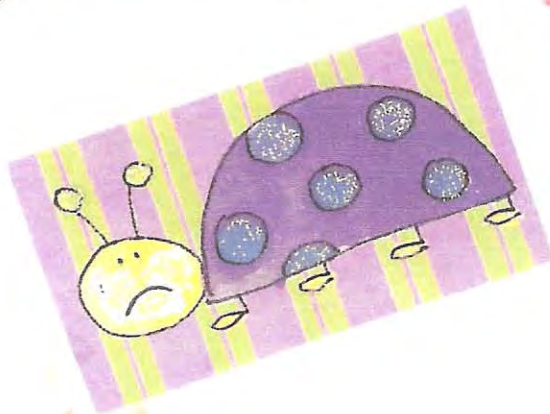

Remember it is not to be blamed that person is not guilty only preprogrammed to be the victim

A TREE OF APPLES cannot be a tree of oranges

Yes seen clearly this true, you have played
The Victim many times, and still do as you work
to not have this genetic bug anymore.

Remember IT IS NOT TO BE BLAMED !
THAT PERSON IS NOT GUILTY !
ONLY PROGRAMMED TO BE THE VICTIM !

The tree of apples cannot be a tree of oranges

only an apple tree can it be due
To the apple seed that was its
beginning

Same story with
People - if they are programmed
with brown eyes & not blue they
will only have brown eyes

Genii: Then it appears that since we are all infected so to speak, this
would be as an addiction.

When the child is ^{conceived} this child
must bear the fruit of the tree of its
ancestors. ~~Does~~ Not the children carry
the germ of the parents?

This has been said over and over
That it is so.

only an apple tree can it be due to the apple seed that it was at the beginning...

Same story with people...if they are programmed with brown eyes and not blue eyes they will have brown eyes.

When the child is conceived, this child must bare the fruits of the tree of it's ancestors.

Does not the children carry the germ of the parents?
This has been said over and over that it is so.

Many areas of "hard no loans" of
Genetic Heritage has been explored
by wise Teachers and Researchers on
this subject (who also carry this
victim seed.)

no one is immune (left out)
no one, and again no one is to be in
blame, no one ever.

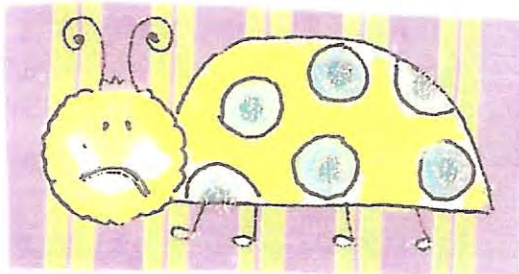

not only an addiction but the beginning
of all addictions. on the beginning
was THE ADDICTION!

Genii: Repeating, you say that this is the first addiction bringing forth
dysfunctional thinking, appearances, relationships, circumstances,
poverty, illness, abuse, depression and addictions we are all aware of. Is
this the idea?

Many areas of 'hand me downs' of genetic heritage
Has been explored of wise teachers and researchers
On this subject (who also carry this VICTIM SEED.)

No one is immune (left out) no one and again,
NO ONE IS TO BE IN BLAME. NO ONE. EVER.

Not only an addiction but,
THE BEGINNING of ALL ADDICTIONS.
In the beginning was the Addiction!

Genii: When in our life time does this victim seed come alive and begin to bear fruit of the family tree ?

"me" It is Well you asked this question for it is very important !

The Victim SEED is planted at Conception and bears fruit at the moment of 1st Rejection! 1st REJECTION!

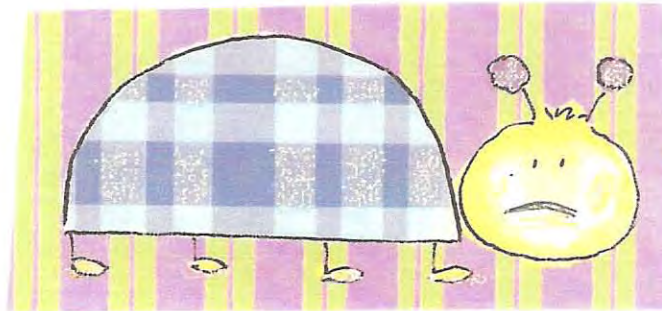

Genii: Is this before birth ?

"me" It can be if the parents don't for whatever reason do not want the child to be born.

I should say that the parents may not be aware of their own subconscious feelings, never the less the seed bears fruit.

It is well you asked this question for it is important!

**THE VICTIM SEED IS PLANTED AT
CONCEPTION AND BARES FRUIT AT THE
MOMENT OF THE FIRST REJECTION!**

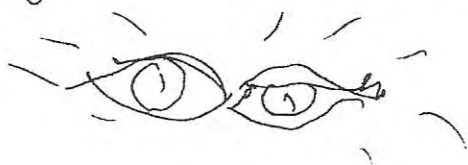

It can be if the parents do not for whatever reason,
do not want the child to be born.

I should say that the parents may not be aware
of even their own subconscious feelings
NEVER THE LESS THE SEED BARES FRUIT.

one has only to watch the T.V. to see
all the victim sick mess.

The daily 'Soap' stories could not be
if it were not for all the victims story plots.
open your eyes and see the roll you

play in the Game of Life. It is a
game. The game of hurt and low self
esteem.

How can one have high self
esteem if one is programmed as a victim?

"me" yes. you adults are in a state of constant
confusion due to not being aware of the
REAL CAUSE of all the unhappiness
you experience daily - we suffer

One only has to watch the T.V.. to see all the VICTIM SICKNESS.
The daily soap stories could not be if it were not for all the victim story plots.

Open your eyes and see the role you play in the game of life.
It is a game of hurt and low self-esteem.

HOW CAN ONE HAVE HIGH SELF-ESTEEM
IF ONE IS PROGRAMMED AS A VICTIM? ←

Yes you adults are in a state of constant confusion
due to not being aware of the real cause of all
the unhappiness you experienced daily. We inner.....

children see you try to cure the effect
instead of the cause. again one ^{MUST}
get to the root of the tree to
/find the ~~seed~~
SEED

Pay
ATTENTION
PLEASE → ROOTS
GO TO THE ROOT

<you cannot cure a sick tree by
cutting off the top leaves. This is
only a temporary measure. yes, this
is only a temporary help. The tree
will die as a victim like the people do.
Many times you hear 'Poor Tom' he was
a victim 'Poor Tom' has been lured
to his rest to suffer no more.

children see you trying to cure the effect instead of the cause. Again one must get to the root of the tree to find the seed.

You cannot cure a sick tree by cutting off the top leaves. This is only a temporary answer.

Yes, this is only temporary help.

The tree will die a victim like the people do.

Many times you hear "poor Tom he was a victim. Poor Tom he has been laid to his rest to suffer no more."

Genii: What if the parents do want the child and love it deeply and will care for it with all their heart and soul. Where can the seed find space to grow in that situation?

me: again it is the 1st rejection. It could be as simple as being hungry or with wet pants and no one in attendance at that moment. The child experiences the 1st rejection when in Touch at that moment

the parents were unable to take care of the 1st rejection at the moment it was needed. Then the Victim Illness is activated.

Genii: Then, perfectly healthy children, though loved and wanted, are still subject to the victim. Is it possible therefore, as the child begins to grow that the seed is still activated and can draw to itself, relationships of abuse etc.?

me: yes - the child does not know as a victim for she can be in this picture.

Again it is the 1st rejection. It could be as simple as being hungry or with wet pants and no one in attendance at that moment.

The child experiences the 1st rejection when in truth, the parents were unable to take care of the first Rejection at the moment it was needed.

THEN THE VICTIM ILLNESS IS ACTIVATED!

Yes- the child does not know (as a victim) he or she can be in this picture....

Remember if a child is abused as a victim
the adult or child who is doing the
abusing is also playing the victim from
their past looking. There cannot be
one victim in a relationship there
is a victim for each person to play.

Genii: We need to look at both sides of a relationship as both have a
victim part to play..like one victim controlling another. It appears that
this then would take people into more addictions as a dysfunctional
person unable to control themselves. It appears we weave quite a web.

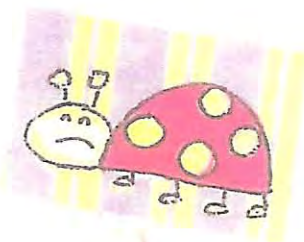

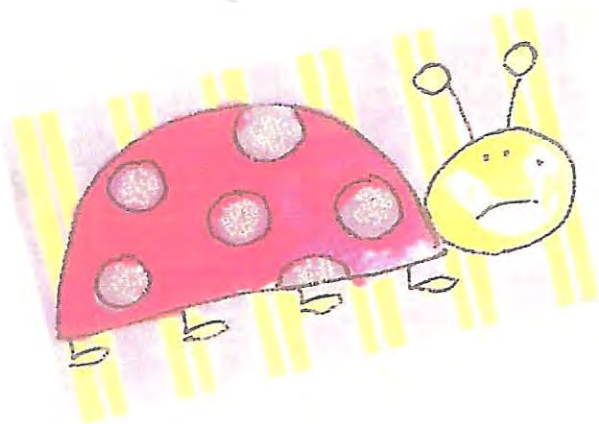

I understand much work is being done these days in trying to establish
why we do the things we do?....why we have difficulties in loving
others? The hardest part of all seems to be in loving ourselves.

O.K., why then, do our hearts go out to the victim in distress? We feel
love then and even reach out to help.

me' The victim recognises the victim. It is
like an "internal signal". The person in
distress is also feeling their own
victim Pain.

Remember if a child is abused as a victim,
the adult or child who is doing the abusing
is also playing the victim from their past seeding.

There cannot be one victim in a relationship.
There is a victim for each person to play.

The Victim recognizes the Victim!
It is like an 'internal signal'
The person in distress is also,
feeling their own victim pain.

Listen when you hear someone
Talk what can you relate to? Do
you not teach people to feel
better about themselves? Yes!
Do you not hear the Victim SICKNESS?

Genii: What I really hear is the cry of the 'inner child'. I have
developed play shops with women who want to play heal their innocent
self, their inner child, making dolls most girls can relate to in a simple
non-judgmental, fun way.

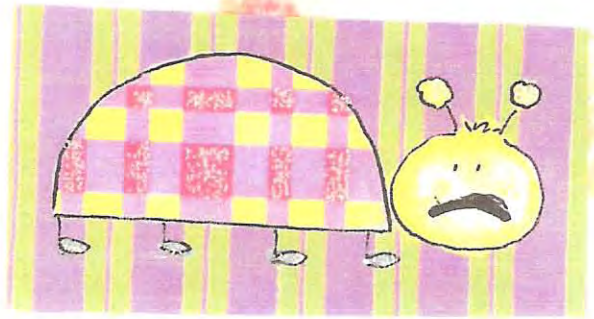

"me" This is the deepest cry of all and
the reason this message is important

for all adults to be made aware of. The
grown-ups are still children inside. You
and
I are well acquainted with each other.

Listen when you hear someone talk. What you can relate to?

Do you not teach people to feel better about themselves?
Yes!

DO YOU NOT HEAR THE VICTIM IN SICKNESS?

This is the deepest cry of all and, the reason is this message is important for all adults to be made aware of. The Grown-ups are still children inside. You and I are well acquainted with each other.

CAN you spray it away? No, not
as an exterminator would in your
 HOUSE. BUT you can in your
MIND.

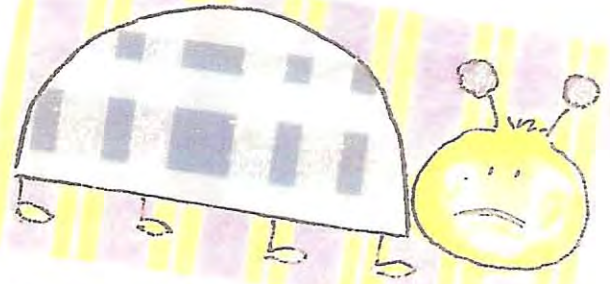

To be aware you are playing the part
and when you see or catch yourself

playing the part
STOP!

Tell the mind that you will NOT
BE A VICTIM any more!

Do not also help others to continue to
BE THE VICTIM. STOP!

Can you spray it away? NO, Not as an exterminator would in your house, but you can in your mind!

TO BE AWARE YOU ARE PLAYING THE PART AND, WHEN YOU SEE OR CATCH YOURSELF PLAYING THE PART....

STOP!

TELL THE MIND THAT YOU WILL NOT BE A VICTIM ANY MORE!

Do not help others to continue to be THE VICTIM STOP!

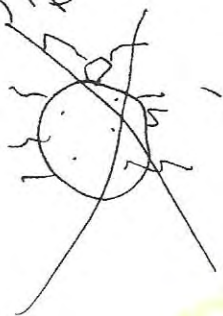

again, it needs to be repeated again -

NO ONE IS TO BLAME

for in revealing this data one can again take
on the guilt of passing on such a victim
BUG and play the part of VICTIM. you
see it is a very ~~entire~~ ^{SUBTLE} subtle you can

Play the part very easily. It is sneaky - But
there just waiting for a chance to be
activated.

Now. How To BE RID OF THE SICKNESS
VICTIM BUG

Again... IT NEEDS TO BE REPEATED AGAIN.....

NO ONE IS TO BLAME !

FOR IN REVEALING THIS DATA, ONE CAN AGAIN TAKE
ON THE GUILT OF PASSING ON SUCH A VICTIM BUG AND
PLAY THE PART OF A victim.

You see it is very **SUBTLE** .
You can play the part very easily. It is sneaky but
there, just waiting for a chance to be activated.

Now, how to be rid of this
SICKNESS VICTIM BUG !

all the self help groups - The support groups
do good work but they need most of all
A VICTIM RELEASE GROUP.

Not to feel sorry for people, more to
help them out of their pain.

So we as Inner Lights can glow and help
our adults be healthy and happy. When
we are covered up with sorrow, fear,
anger no one can hear us much less
play.

Cancel the Victim from your
life and watch yourself heal.

This then is the story!

Its not a pretty one but TRUE

All the SELF Help Groups, The SUPPORT groups,
do good work but what they need most of all is a
VICTIM RELEASE GROUP !

Not to feel sorry for people more but to help them
out of their pain.

We as Inner Lights can glow and help our adults
be healthy and happy.

When we are covered up with sorrow, fear, anger,
no one can hear us much less play.

**CANCEL THE VICTIM FROM YOUR LIFE AND
WATCH YOURSELF HEAL.**

**THIS THEN IS THE STORY!
NOT A PRETTY ONE BUT TRUE !**

Genii: We as adults can CANCEL THE VICTIM WITHIN EACH OF US and begin to really heal because we have gotten to the root of the matter which has gone through THE GENETIC CODE.

THERE IS NO BLAME ATTACHED !

When people realize that is the ORIGINAL ADDICTION and CORRECT the VICTIM ADDITION all the other addictions can be cured to the extent that people recognize and apply the release.

No one needs to stay addicted to anything any longer. Recognizing this basic information, you will begin to see people unknowingly playing VICTIM everywhere you look. Seeing it and understanding it, then is what is needed to bring on a healing.

"me"

What has been said here will stir up a lot of victim events in peoples lives. old memories will be re-sited as people see and find that this information is correct and begin their healing.

It is time now for people to be happy in this life they have been given, not with sadness and fear.

It is time to play with the Inner Child. To live happy ever after.

we have learned to "play" with each other mostly thru art and music and the puppets.

I love the puppets they

not. They did leave what their parents

Closing remarks from Genii

This then is the message I was given through the medium of writing with my other than usual hand.

Since that time I have been on the alert to see for myself if the data could be correct. Everywhere I see VICTIMS looking for a way to be better than they think they are or, so far into addictions that there appears that there is no road to escape.

So bring on the motivational teachers to give a helping hand.

We spend billions trying to correct and heal all kinds of problems. It all begins and ends within our mental thoughts. If we could invent a solution to eliminate the VICTIM THOUGHTS what a great world we would live in.

NOTE: VICTIMS ALL DESIRE LOVE AND, THE BOTTOM LINE IS THAT WE WILL GET LOVE ONE WAY OR ANOTHER!

Think about it.

Now, perhaps of what has been revealed to me and I have passed it on, we adults have the opportunity to understand the beginnings of addictions and start the healing process. Ask yourself how many times have I played the roll of VICTIM ?

My inner kid says

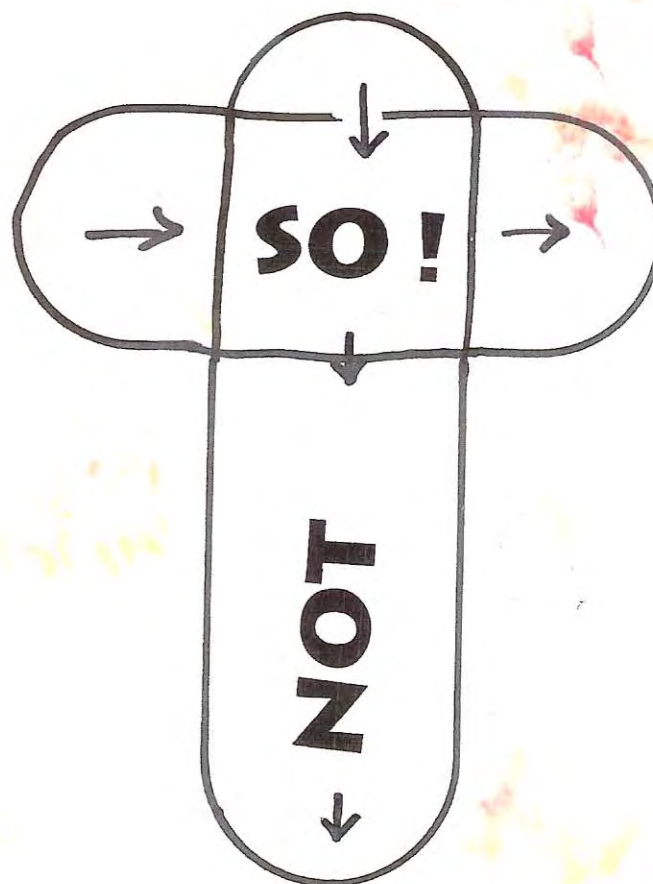

"many more than you can remember and still do to a part not cleared up yet but you are working on it and soon see progress. Don't stop! ..."

Solution ?

I can suggest that when you find yourself playing the part (AND WE ALL DO) of Victim and activating the Sickness Bug that you stop the thought, get help if necessary and cancel out playing that part with positive thoughts, instead of negative ones.

REMEMBER IT IS NOT YOUR FAULT IT IS YOUR PRE D.N.A. PROGRAMMING.

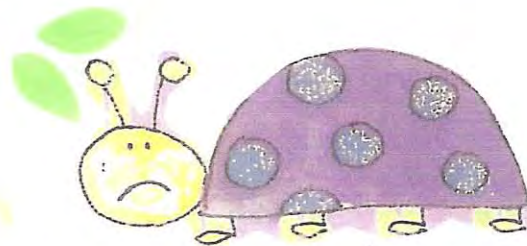

I use the Cross of Cancellation.

I dedicate this book to
"me" it's my first book
and I think I did
Pretty good for a
little author.

Don't you

DARKNESS & LIGHT

THE PERSON WITH THE GREATEST DARKNESS,
SEEKS OUT THE CHILD WITH THE GREATEST LIGHT
AND ATTEMPTS TO MERGE WITH IT TO GET HEALED.

WHEN THE CHILD WITH THE GREATEST LIGHT
CANNOT HEAL THE GREATEST DARKNESS,
THEY LIVE THEIR LIFE FEELING THEY HAVE FAILED,
FOR THEY KNOW THEY CAME TO BRING
THE GREATEST LIGHT,
FAILING EARLY ON, THEY ARE AFRAID
OF THE LIGHT UNTIL HEALED.

REPEAT...

IN AN ABUSIVE FAMILY,
THE PERSON WITH THE GREATEST DARKNESS,
SEEKS THE CHILD WITH THE GREATEST LIGHT
ATTEMPTING TO MERGE WITH IT TO HEAL
THE GREATEST DARKNESS.

WHEN THE CHILD FAILS AT HEALING THE
THE GREATEST DARKNESS,
THEY BECOME WITHDRAW, LOSE THEIR SELF-ESTEEM
AND ARE AFRAID THEN OF THERE OWN LIGHT
BECAUSE THEY THINK THEY AS LIGHT, FAILED
IN OVER COMING DARKNESS.

VICTIM NO MORE !

KATHRYN TWIN FEATHERS Thank you !

IT ALL STARTED LONG AGO WHEN I WAS JUST A CHILD
I NEVER WAS QUITE GOOD ENOUGH MY SPIRIT WAS DEFILED.
MY BIRTH OF VICTIM LONG AGO, SERVED AS MY LONE
PROTECTION.

BUT NOW IT SEEMS IT DOESN'T WORK WHEN I LOOK AT MY
REFLECTION.

NOW AS I WALK THE PATH OF LIGHT, I NO LONGER BOW DOWN,
TO ALL THE UNTRUE MESSAGES
THAT CLOUDED UP MY MIND.

IN HOPE AND FAITH, AND NOW IN TRUTH,
I'M FREE FROM ALL THE ROLLS
I HAD TO PLAY TO STAY AWAY,
FROM THE CHILD I COULD NOT HOLD.

THE VICTIM IS GONE, CLAIM VICTORY!
NO LONGER TO MANIPULATE
TO KEEP THE PAIN INSIDE OF YOU,
OR EVEN CONTEMPLATE.

LIFE IS FULL OF LOVE AND TRUTH
FOR THOSE WHO CHOOSE TO GROW.
IT ONLY TAKES THE WILLINGNESS,
AND THE WANTING TO KNOW.

WE ARE FREE, REJOICE AND KNOW,
GODS PLAN IS UNFOLDING NOW.

THE CHAINS ARE OFF, WE'RE FREE TO CHOOSE,
THE VICTIM IS NO MORE!

I AM
LIGHT

1.... IN LOVING APPRECIATION

to my Inner Kid for all the information she gave me that changed the way I now look at my life.

2.... to my real life kids Alan & Starr-Light for giving me plenty of reasons to jump in to life and to follow my own dreams and, their constant support of my not being a 'normal Mom'.

3.... to my friend and Spiritual partner Charles Betterton who mentors me thru the real business world revealing, how I can market my own dreams and thus put this book into your hands

4.... To Kathie Brodie who worked over this material, corrected what I could not see or spell and being there when I needed this guidance.

And to that unseen Primal Source that put me here in the first place to divinely make my mark in this world without, the Sickness Bug attached.

Thank You. I am blessed.
I love you all...deep...really deep !
Genii

Genii Townsend

Genii dropped out of high school and later found herself a divorced mother of a son and daughter trying to figure out how to support them with no office experience and totally no business sense. The answer came in the form of entertaining through the medium of puppets (which was not an area remembered as a child). All she knew was that being Positive and using her Imagination that anything she wanted she could have which could be interesting ... and profitable.

She changed her name from Jean to Genii as it seemed to have magic attached and she needed a lot of that if she was to survive with the children and **THE MAGIC HAPPENED!** She went on to create a zillion puppets and marionettes and performed professionally from Disneyland and into Las Vegas, made commercials funnier, pulled strings in motion pictures and was a co-performer with Carol Burnette on her show with a look-a-like figure of Carol's charwoman Genii had created.

Genii's big dream was to have a birthday party theater where children could have a special place of honor to enjoy. What then began as a tiny storefront theater, expanded four times into a two story 5000 square foot building where thousands of kids and parents celebrated for 18 years consecutively with many being famous stars of stage, television and motion pictures.

Genii has been awarded many honors including several by the Puppeteers of America for advancing puppetry. Who's Who in America tapped her on the shoulder. In between and at present she leads women's self discovery Seminars such as "The Cinderella Connection", Inner child doll classes, The Power Women and The Thirteen Goddesses of Inner Light. Genii is the author of ***The Little Light Being, The Sickness Bug and Out of the Gourd-inary Plants with an Attitude.***

Genii her daughter Starr-Light live in Sedona, Arizona. Together they co-founded the Imagination Center, Inc. with their partner Charles Betterton and Ruth Kellogg, a mutual friend, who had brought them together. Genii delights in creating celebrity marionettes and presenting them to the star so they can pull their own strings. She has designed a building which will house five puppet theaters, one main theater, banquet hall and class rooms all under one roof to come forth in the Sedona area as the **IMAGINE THAT! .. THEATER.** Genii believes that successful women are women of VISION and that the IMAGINATION is the magic carpet that begets that success.
